## **Newly established 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> Dan-I**

**Aim for the highest peak – chasing the dream**

Japan Sport Wellness Fukiya Association newly established revised Dan/Kyu-I accrediting examination system, approved by the Members of Representative at Extraordinary General Meeting, which was held on 29<sup>th</sup> March 2023.

We newly established 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> Dan-I per the attached sheet. Furthermore, we eliminated the border between general members and junior members, and revised Dan/Kyu-I accrediting examination system is common for all members.

In addition to that, we newly established Golden Senior Dan-I system, they are 2<sup>nd</sup> Dan-I through 6<sup>th</sup> Dan-I, which can be challenged by members more than 75 years old, if they wish.

We also revised exam fee and authorization fee and exam waiting period per the attached sheet.

We start with this revised Dan/Kyu-I accrediting examination system, but we may add new rule or revise further if it is necessary. We will courageously tackle improvements without being bound by established frameworks.
